WHAT: Potluck Luncheon with a talk by Helen de Leon Camarce about her UMC missionary work for women in Cambodia

WHEN: Tuesday, July 11 at 12:00 noon

WHERE: HPUMC Narthex

WHO: All are invited

Thanks to previous Missions Chair Charlotte Sroka, the Women's Group has had the opportunity not only to offer support to Helen, but also to hear her speak. Our hearts were touched by the work that she does and would like to encourage all to join us for this special luncheon and its opportunity to fellowship, learn, and support women in need.

About Helen: She believes in the hardship and struggles of being born as a woman in Southeast Asian countries which is mostly patriarchal in culture especially here in Cambodia. Giving them the education, knowledge and skills to participate in the family and the community's development and economy, gives them the confidence and to learn to value themselves as a daughter, a wife, a mother and a member of the community.

*In order to support her work for women and girls in Cambodia, during the worship service on **July 9** we will be taking a love offering to be given to Helen at the luncheon.*
